### Making Learning a Lifestyle

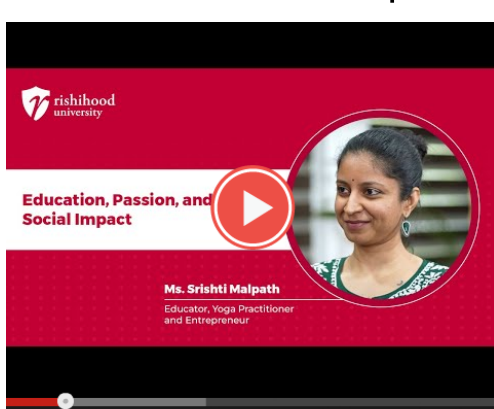

Our recent faculty retreat, themed "Making Learning a Lifestyle," reignited our dedication to continual learning in teaching and research. Emphasizing that educators are perpetual learners, we explored the significance of extended, multi-disciplinary research projects to address global challenges. Discussions also centered on adapting to evolving industry trends, highlighting the need for educators to be agile and innovative.

### Sound for the Soul

The School of Psychology and Education hosted a transformative workshop, guided by Dr. Manan Sharma. Delving into the principles of Sound Therapy, our learners witnessed live demonstrations showcasing the profound impact of sound on mental peace and stress relief amid daily chaos. With 25 years of experience, Dr. Manan, an International Sound Solopreneur, passionately provides professional Sound therapeutic training and services globally, aiming to heal communities.

### From Corporate Corridors to Yoga and Ayurveda

Dive into the inspiring story of Prof. Srishti Malpath's incredible journey from corporate corridors to the world of Yoga and Ayurveda. In this exclusive interview, witness the transformative power of aligning career with passion, leaving a global impact.
