Leadership Uncomplicated

Dr. Anil Asthana, visionary entrepreneur, and founder of Rishihood University shared powerful insights on India's global aspirations and the pivotal role of its diaspora in our Leadership Colloquium. He emphasized going beyond financial support, highlighting the valuable role NRIs can play as mentors and contributors to Indian startups.

From technical hurdles to market dynamics, **Mr. Saurabh Singh**, the dynamic CEO & Co-Founder of **Desmania Innovation Labs** shared how Desmania navigated these obstacles with resilience and strategic thinking. The audience gained valuable insights into the challenges faced during the development phase of dayLii, an autonomous tea machine for the Railways.

Exploring the roots at Rishihood University

Led by Dr. Sanjeev Kumar, Dean of Rashtram School of Public Leadership, students immersed in a cleaning initiative at Tau Devi Lal Park, a historical site honoring Shaheed Udham Singh Ji and the valiant 21 associates who made the ultimate sacrifice in 1857.

Alumni ReUnion 2024

Rishihood celebrated a milestone weekend with its inaugural executive alumni reunion and industry consortium meeting. About 50 accomplished alumni, now in senior roles in government, non-profits, and social enterprises, reconnected with Rishihood, emphasizing the rare bond with their alma mater.

The industry consortium meeting, hosting 25 senior leaders, took a crucial step towards internships and placements partnerships, gaining support for Rishihood's continued growth. The event was graced by Shri Suresh Prabhu, adding to the significance of the occasion.

Science, Technology and Society

Rishihood organized a captivating 20-hour course, "Science, Technology and Society," for 32 enthusiastic ninth-grade students from Lodha World School, Palava. The immersive program explored innovation, invention, and ethical dilemmas at the crossroads of science and technology. The highlight was a dynamic project segment where students applied learned concepts creatively.
