

## Tech Marvels

Our first-year students crafted their very first robot, showcasing innovation and hands-on learning. This achievement was part of a 5-day comprehensive workshop where our students built cars, crafted wheelchairs, and engaged in various fun-filled activities. It's a proud moment for Rishihood as our students continue to push boundaries and shape a future filled with technological marvels!

## Pathways to Leadership

Renowned IIM Ahmedabad alumnus, Gaurav Rastogi, led a transformative workshop, divided into two modules: "Focus and Finish" and "Clear Business Communication through Storytelling." Students gained insights into productivity and effective communication as Rastogi shared strategies for achieving 5x productivity and honed their skills in crafting impactful messages.

Rishihood University's Leadership Colloquium featured Timcy Bansal, a seasoned HR professional, discussing the growing importance of Emotional Intelligence in contemporary job culture. Bansal shared insights and practical strategies for mastering Emotional Intelligence, essential for navigating leadership complexities in the modern workplace.

## Universal-Integral Multilevel Education

The International Conference on Universal-Integral Multilevel Education in the Spirit of the New Age, organized by the International Scientific School of Universology in association with the Centre for Human Sciences, Rishihood University on 3-4 February 2024, fostered insightful dialogues and exchanges to propel education into a new era aligned with humanity's evolving needs. Emphasizing holistic approaches and conscious evolution, it highlighted the significance of shaping the future of education.

## Book Conversations

Dr. Bhaskar Kamble recently captivated audiences with his talk on "The Imperishable Seed: How Hindu Mathematics Changed the World and Why Its History Was Erased." Highlighting the profound influence of Hindu mathematics globally, Dr. Kamble shed light on its overlooked historical narrative. Attendees engaged in lively discussions, emphasizing the importance of preserving our civilization's mathematical legacy.

An engaging book talk unfolded with Prof. Dr. Kausik Gangopadhyay from IIM Kozhikode, delving into "The Majoritarian Myth" and its nuanced perspective on social theories. Highlighting the book's timeliness and courage, Prof. Dr. Gangopadhyay's discussion illuminated its scientific analysis of social intolerance. The event sparked critical discourse and deepened understanding of societal dynamics among participants.

## Vasant Panchami

Rishihood hosted the Vasant Panchami Hawan, a spiritual ceremony on February 14th, 2024, uniting the community for academic excellence and holistic well-being. Guided by revered priests, the hawan fostered unity and a commitment to growth, symbolizing a timeless journey of seeking knowledge and nurturing intellect.

## Beyond the Classroom

Experience the essence of immersive learning at Rishihood University's recent visit to Delhi, where students engaged with real-world complexities beyond textbooks. From historical landmarks to technological showcases, students gained practical insights, not just as witnesses but as active participants. Watch the full video here for a glimpse into our experiential learning approach.
